Dear Morgan,

I am very pleased to be able to take this opportunity to congratulate you on the 'good' judgement that you have recently received from Ofsted in your inspection at St. Thomas More Catholic Primary School.

It is a credit to you, your Staff, Governors and pupils and reflects your hard work and commitment to Catholic Education. Thank you for all you have done personally as the Headteacher and leader of St. Thomas More Catholic Primary school community in helping to achieve this outcome.

I was delighted on reading the report that the inspector recognised that 'the leadership team has maintained the good quality of education in the school since the last inspection ...and your vision and passion for improving the learning experiences of every individual were very evident'.

The staff and children are rightly very proud of their school and alongside the Governors played an important part in securing the success of the school and this very positive report. The curriculum that is provided is broad, balanced and rich and you and your team work hard to ensure that the basic skills of reading, writing and mathematics are an integral part. You have all clearly worked exceptionally hard to achieve this outcome and I am so pleased for you and your team.

Wishing you continued success at St. Thomas More Catholic Primary School and I hope that now you are able to enjoy 'life after Ofsted'.

Many congratulations!

Yours sincerely,

Justine Lomas
